The maintenance staff will continue to be aggressive with work orders and provide additional assistance to reduce the amount of vacant units. Programs will consist of Drug Elimination, Resident Council initiatives, and leveraging dollars to expand the effectiveness of these programs to promote Community, Individual Self Sufficiency, Reduce Crime, and create abetter environment to live.

#### ATTACHMENTG:DECONCENTRATIONPOLICY

Section 513 of the Quality Housing and Work Responsibility Act of 1998 amends Section 16 of the establish public housing Deconcentration requirements.

**USHA** to

The QHWRA requires PHA's to submit with their annual public housing plan an admission policy designed to provide for Deconcentration of poverty and mixing, by bringing higher incometenants into lower income public housing projects and bringing lower incometenants into higher income public housing projects.

A PHA may offer incentives for eligible families having higher income to occupy dwelling units in projects predominately occupied by eligible families having lower incomes, and providing for occupancy of eligible families having lower incomes in projectspredominately occupied by eligible families having higher incomes.

Incentives may be made in a manner that allows the eligible family to have the sole discretion in determining whether to accept their centive and the PHA may not take any adverse action toward the family for not accepting their centives and occupancy of a project having lower incomes, provided that the skippin gof a family to reach another family to implement the policy shall not be considered an adverse action. The PHA must implement this Admission Policy in a manner that does not interfere with the use of site based waiting list authorized under QHWRA.

• Throughincentivesmaybeofferedaspartof QHWRA, the PHA does not intend to offer incentive suntil such time as HUD offers clear guidelines on the provision of incentive sbythe PHA.

Through the February 18, 1999 initial guidance Notice, HUD is requiring PHA's to begin implementing this public housing Deconcentration policy. Within 120 days of the Notice (June 18, 1999), the PHA'S Board of Commissioners must pass a resolution indicating that any necessary changes have been made in the PHA's admission policy. PHA's must keep this Board Resolution on file for possible HUD review. While PHA's must take necessary actions now to have an appropriate policy in place, the admission policy to promote Deconcentration of poverty also will be part of the PHA plan process from its inception.
